

Tacos

If you make these tacos right they will take your taste buds away. You will have to create your own masterpiece! For example, I don't like tomatoes or green onions on my taco but you might!

Ingredients:

Ground Beef - 1lb

Taco Seasoning

Red Peppers - 1 Pepper

Cheese - 2 cups grated

Lettuce - 1 head

Tomatoes - 1

Green Onions - 1 bunch

Hard Taco Shells - 1pkg

Salsa - 1 jar

Sour cream- 1 container

If you don't like something on this list like tomatoes just don't put them on your taco

Instructions:

First grease your pan and put your hamburger on, leave the hamburger on until brown

While the hamburger is browning cut your peppers then stir you hamburger

Cut your tomatoes then stir your hamburger

Cut your green onions then stir your hamburger

Then grate your cheese and stir your hamburger

When hamburger is browned add the taco seasoning to the ground beef

Then put all your ingredients in different bowls and warm up your taco shells in the microwave for 25 sec and then dish up your taco.

Make it Yours, with whatever you like
